TEBEY

It is with great pleasure that we offer your organization a wonderful opportunity to become a valuable sponsor of the annual Karma Concerts cabaret.

Our volunteer-driven Foundation along with our volunteer board, have been organizing our annual concert to benefit children within your community.

An investment in Karma Concerts provides you with the opportunity to enhance your organization's profile, while creating an experience for

your employees and clients. Funds raised will help children in the greater area in which the concert is held.

We appreciate you considering our proposal for sponsorship. Please feel free to contact us if you require more information about the program.

Thank you in advance for your support.

Sincerely Yours,

Karma Concerts Board

\$30,000
goal

Funding opportunities to support Leduc County youth to achieve their goals.

That's why Karma Concerts Foundation offers a variety of grants.

We give students and aligned organizations the resources they need to strengthen programs to empower the youth in our community.

Music has the ability to create both connection and harmony for kids.

THE SOUND
OF LIVING**

Karma Concerts was founded by Ray and Tammy Bradley in April 2014. What began as a casual conversation over a year earlier, evolved into building a foundation that will allow people to enjoy an intimate concert experience, knowing that they are also making a difference in a young person's life.

Meet the Board

We believe it's important to support local children within communities we live in. As we feel blessed by what we have, we volunteer our time to raise funds using an entertainment platform. We are grateful to be able to provide an opportunity to others in the community to engage in making a difference for our youth.
